

DR. SANGUAN KUNAPORN

Dr Sanguan is in a league of his own and renown worldwide as a serious, innovative plastic surgeon, who is willing to take on challenging and complex cases.

Clients find him to be thoughtful and patient with a keen attention to detail and always ready to explain technicalities. Dr Sanguan is specialized in breast surgeries, especially breast augmentation, lift, reduction and revision, as well as male-to-female sex reassignment surgery. This has gained him a following from all over the globe.

Dr Sanguan was the National Secretary of The Society of Aesthetic Plastic Surgeons of Thailand. Locally he is the Chairman of the PPSI Surgical Committee and sees it as his obligation and goal that all PPSI clients are satisfied and their surgery result is within acceptable standards. He works tirelessly to mentor younger surgeons and is happy to pass on his knowledge and experience.

Dr Sanguan has been a member of Rotary for many years and in 2014 he was District Governor. He lives in Phuket with his family and often hosts exchange students in his home. Dr Sanguan travels a lot and consequently his clients are encouraged to book their surgery months in advance to ensure availability.
